

PETITION

BY THE RESIDENTS OF EMBAKASI NORTH CONSTITUENCY ON THE STATUS OF THE KOMAROCK ROAD AND ATTENDANT THREATS TO MOTORISTS BY ARMED GANGS.

We, the undersigned road users and motorists along the Komarock Road in Embakasi North Constituency.

DRAW the attention of the House to the following;

THAT the Komarock Road is part of the Nairobi Road Network within the Nairobi City County and links the constituency to the rest of the county including Industrial Area;

THAT the road is a living example of neglect by the concerned authorities;

THAT the Kenya Urban Roads Authority (KURA) is charged with the responsibility of constructing suitable roads within urban areas and maintenance of the same including Komarock road;

THAT KURA has failed in its mandate to seal, re-carpet the damaged road or reconstruct the same;

THAT the road is the cause of traffic jams leading to man-hour losses, atmospheric pollution from exhaust fume emissions and wear and tear of vehicles;

THAT marauding armed gangs take advantage of the jams and frequently attack and rob motorists in these traffic jams;

THAT we hereby confirm that efforts in terms of letters addressed to relevant ministries and oral representations to the concerned parties have been made to have the matter addressed yet no response has been given;

THAT we confirm that the issues in respect of which the petition is made are not pending before any court of law or constitutional or legal body;

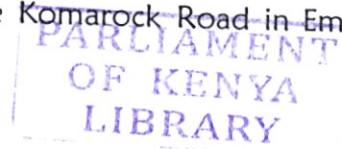

THEREFORE your humble petitioners PRAYS that Parliament;

Through the Departmental Committee on Transport, Public Works and Housing, compel the Kenya Urban Roads Authority (KURA) to address the foregoing concerns by ensuring remedial measures are put in place to arrest atmospheric pollution, save the motorists the financial and emotional burden due to the wear and tear on vehicles and the threats on their lives and valuables in traffic jams.

And your PETITIONER will ever pray.
