ANALYSIS OF THE PROPOSED HARMONISED RULES OF PROCEDURE ON HOW TO HANDLE EALA BUSINESS

5. The Committee analysed the proposed harmonised rules of procedure on how to handle EALA business during its sitting held on Tuesday November 17, 2009. During the analysis of the proposed harmonised rules the Committee noted that the proposed rules are in line with the National Assembly Standing Order 212, which provides for the procedure on reports of the East African Legislative Assembly and the Pan African Parliament and that the rules will further harmonise the activities of the National Parliaments and those of the East African Legislative Assembly in terms of reports and Bills.

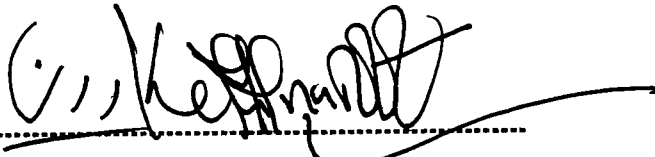

While analysing the proposed rules the Committee took cognisance of the provisions of Article 49 2 (a) of the Treaty for the Establishment of the East African Community which provides that the Assembly shall liaise with the National Assemblies of the Partner States on matters relating to the Community. Further the Committee noted the provisions of Article 65 which generally provides for the exchange of information on matters relating to EAC between Clerks of the National Parliaments and the Clerk of the East African Legislative Assembly.

Mr. Speaker, Sir,

6. The Committee wishes to record it's appreciation to you and the Clerk of the National Assembly for the continuous facilitation of our operations. We also wish to record our appreciation to the Ministry of East African Community for working closely with the Committee during the analysis of the proposed harmonised rules of procedure on how to handle EALA business.

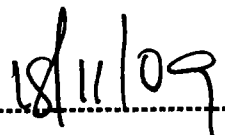

7. It is now my humble duty, on behalf of the Committee to table the report and commend it to the House for adoption, pursuant to provisions of Standing Order 181.
