REPORT ON THE FINANCIAL STATEMENTS

Disclaimer of Opinion

I do not express an opinion on the accompanying financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

1. Presentation of the Financial Statements

The financial statements for the year ended 30 June, 2015 provided for audit review contained the following anomalies:

- (i) The statement of changes in net assets is omitted from the financial statements, contrary to the template issued by the Public Sector Accounting Standards Board.
- (ii) The Chairman's Report, Corporate Governance Statement, Corporate Social Responsibility Statement/ Sustainability Reporting are omitted from these financial statements, contrary to the template issued by the Public Sector Accounting Standards Board which has a provision for the same.

Consequently, the financial statements presented for audit for the year ended 30 June, 2015 do not comply with International Public Sector Accounting Standard No.1 as prescribed by the Public Sector Accounting Standards Board.

2. Accumulated Surplus

The statement of financial position as at 30 June, 2015 reflects a surplus of Kshs.5,765,260 instead of accumulated surplus of Kshs.6,352,529 which includes

Kshs.587,269, being the surplus realized in the financial year ended 30 June, 2014 as summarized below:

Year	Surplus (Kshs.)
2014	587,269
2015	5,765,260
Total	6,352,529

Consequently, the accuracy, validity and completeness of accumulated surplus of Kshs.5,765,260 for the year ended 30 June, 2015 could not be confirmed.

3. Interest Income

The statement of financial performance for the year ended 30 June, 2015 reflects interest income of Kshs.5,765,260. However, and as previously reported, beneficiaries' loan ledgers and payroll deduction remittances to support the interest amount were not provided for audit review. Further, the supporting schedule provided for audit review indicate that two Members of County Assembly (MCAs) were advanced loans totaling to Kshs.4,357,000 but no interest has been charged on the same nor have the dates when the loans were advanced to the MCAs been indicated.

As such, the determination of the interest and the accuracy, validity and completeness of interest income of Kshs.5,765,260 for the year ended 30 June, 2015 could not be confirmed.

4. Cash and Cash Equivalents

The statement of financial position as at 30 June, 2015 reflects cash and cash equivalents balance of Kshs.80,191,372. However, as previously reported, the bank reconciliation statement was not provided in support of the balance. Further, bank statements and certificate of bank balance as at 30 June, 2015 were not provided for audit review.

Consequently, the accuracy and completeness of cash and cash equivalents balance of Kshs.80,191,372 as at 30 June, 2015 could not be ascertained.

5. Current Portion of Long-Term Receivables from Exchange Transactions

The statement of financial position as at 30 June, 2015 reflects current portion of long-term receivables from exchange transactions balance of Kshs.39,455,337 (2014: Kshs.27,020,931) which relates to loans and interests owed by Kilifi Members of County Assembly. However, as previously reported, the beneficiaries' payroll deduction remittances were not provided for audit review.

In the circumstances, the accuracy, validity and completeness of current portion of long-term receivables from exchange transactions balance of Kshs.39,455,337 as at 30 June, 2015 could not be confirmed.

6. Long-Term Receivables from Exchange Transactions

The statement of financial position as at 30 June, 2015 reflects long term receivables from exchange transactions balance of Kshs.156,118,551 (2014:Kshs.171,288,871) relating to loans advanced to Members of County Assembly. However, the beneficiaries' payroll deduction remittances were not provided for audit review.

Consequently, the accuracy, validity and completeness of long-term receivables from exchange transactions balance of Kshs.156,118,551 as at 30 June, 2015 could not be ascertained.

7. Proceeds from Loan Principal Repayments

The statement of cash flows for the year ended 30 June, 2015 reflects proceeds from loan principal repayments of Kshs.30,894,753. However, the loan movement schedule provided in support of the balance did not reflect the dates the loans were advanced and the loan balance per borrower as at 30 June, 2015. Further, payroll deduction remittances were not provided for audit review.

Consequently, the accuracy and completeness of proceeds from loan principal repayments of Kshs.30,894,753 for the year ended 30 June, 2015 could not be ascertained.

8. Loan Disbursements Paid Out

The statement of cash flows for the year ended 30 June, 2015 reflects loans disbursements paid out of Kshs.28,158,839. However, the schedule provided in support of the balance did not show dates when the loans were advanced and total loan balance per borrower as at 30 June, 2015.

Consequently, the accuracy and completeness of loan disbursements paid out balance of Kshs.28,158,839 for the year ended 30 June, 2015 could not be ascertained.

9. Revolving Fund

The statement of financial position as at 30 June, 2015 reflects a revolving fund balance of Kshs.270,000,000 which relates to transfers from the County Assembly of Kilifi. However, bank statements to confirm the amount transferred and received were not availed for audit review. Further, no explanatory note has been provided for the revolving fund balance in these financial statements.

Consequently, the accuracy and completeness of the revolving fund balance of Kshs.270,000,000 as at 30 June, 2015 could not be confirmed.

10. Late Submission of the Financial Statements for Audit

The financial statements for the year ended 30 June, 2015 were submitted to the Office of the Auditor-General for audit on 27 September, 2019, which is four (4) years after the statutory deadline of 30 September, 2015. This is contrary to Section 47 of the Public Audit Act, 2015 which states that, 'The financial statements required under the

Constitution, the Public Finance Management Act, 2012 and any other legislation, shall be submitted to the Auditor-General within three months after the end of the fiscal year to which the accounts relate'.

The Management was therefore in breach of the Law.

11. Failure to Prepare Separate Financial Statements for Mortgage and Car Loan Funds

The Management did not prepare and submit for audit review separate annual reports and financial statements for Kilifi County Assembly Members Car Loan Fund and Kilifi County Assembly Members Mortgage Fund in line with Regulation 15(1)(d) of the Kilifi County Assembly Members Car Loan Scheme Fund, 2014 and Regulation 18(1)(d) of the Kilifi County Assembly Members Mortgage Scheme Fund, 2014 both of which require the Officer administering the Fund to prepare, sign and submit financial statements relating to the Fund to the Auditor-General every financial year.

The Management was therefore in breach of the Law.

12. Administration of the Fund Agreement

Records and information provided for audit review indicated that a local bank administered the Fund during the year under review. However, the formal agreement between Kilifi County Assembly Service Board and the Bank on the administration of the Fund was not availed for audit review. This is contrary to Regulation 7 of Kilifi County Assembly Members Mortgage Scheme Fund, 2014 which allows the County Assembly Service Board to appoint a mortgage institution to administer the Fund on its behalf.

The Management was therefore in breach of the Law.

13. Failure to Operate Separate Bank Accounts for the Funds

The Fund did not establish separate bank accounts for Kilifi County Assembly Members Car Loan Fund and Kilifi County Assembly Members Mortgage Scheme Fund but instead treated the two funds as one and operated one bank account for the same. This is contrary to Legal Notice No.1 of 2014 and Legal Notice No. 2 of 2014 which established Kilifi County Assembly Members Car Loan Scheme Fund and Kilifi County Assembly Members Mortgage Scheme Fund respectively with separate Loan Management Committees.

The Management was therefore in breach of the Law.

14. Lack of a Risk Management Framework

During the year under review, the Fund did not develop a risk management strategy which would assist in identifying current and emerging risks and reporting the same to senior management for appropriate action for robust business operations. This is contrary to Regulation 158(b) of the Public Finance Management (County Governments) Regulations, 2015 which requires an Accounting Officer of a public entity to ensure that

the County Government entity develops a system of risk management and internal controls that build robust business operations.

Therefore, the Fund lacks a structured process for identifying and minimizing or addressing potential threats to its operations/business and sustainability of services.

The Management was therefore in breach of the Law.

15. Lack of Internal Audit Function and Audit Committee

During the year under review, the Fund did not have an internal audit function and Audit Committee. This is contrary to Regulation 153 of the Public Finance Management (County Governments) Regulations, 2015 on the role of internal auditors which include among other things review and evaluation of effectiveness of financial and non-financial performance, accountability and state of risk management of the entity. Regulation 167 (1) requires every county government entity to establish an audit committee to support the accounting officer on issues of risk, control, governance and associated assurance.

As such, the Management is in breach of the Law.

16. Budgetary Control and Performance

The statement of comparison of budget and actual amounts reflects final revenue budget and actual on comparable basis of Kshs.23,000,000 and Kshs.5,765,260 respectively resulting to under-funding of Kshs.17,234,740 or 75% of the budget. Similarly, the Fund expended Kshs.28,158,839 against an approved budget of Kshs.23,000,000 resulting to an over-expenditure of Kshs.5,158,839 or 22% of the budget. Management did not avail approval of the over-expenditure by the County Assembly or explain how the expenditure was accounted for in the financial statements. The underfunding and over expenditure is a pointer to a possible unrealistic budget or a flawed budgeting process.

KILIFICOUNTY ASSEMBLY MORTGAGE SCHEME FUND
Reports and Financial Statements
For the Year ended 30th June 2015

XI. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the Kilifi County Mortgage scheme Fund. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts.

2. Recognition of receipts and payments

The Kilifi County Assembly recognises all receipts from the various sources when they are earned and not when they are received in cash and all expenses when they are incurred and not when they are paid by the Kilifi County Mortgage scheme Fund.

3. In-kind contributions

In-kind contributions are donations that are made to the Kilifi County Assembly in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Kilifi County Mortgage scheme Fund includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as expenditure when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

6. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and agencies. Other liabilities including pending bills are disclosed in the financial statements.

7. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

8. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the *Kilifi County Mortgage scheme Fund* at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made..

9. Budget

The budget is developed on the same accounting basis (Accrual Basis), the same accounts classification basis, and for the same period as the financial statements. The *Kilifi County Mortgage scheme Fund's* budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the *Kilifi County Mortgage scheme Fund's* actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

10. Comparative figures

This is the first time the Mortgage scheme Fund is preparing its full year financial statements. Being a first time adopter, there are no comparative amounts for the previous year.
