**1.0 KEY ENTITY INFORMATION AND MANAGEMENT**

**(a) Background information**

The Nyeri County Assembly Car Loan Scheme is a revolving fund established pursuant to the Salaries and Remuneration Commission (SRC) circular number: SRC/ADM/CIR/1/13/VOL.111(128) dated 17<sup>th</sup> December 2014, SRC/ADM/CIR/1/13/VOL.111(130) dated 29<sup>th</sup> January, 2015, SRC/ADM/CIR/1/13/VOL.111(142), of 25<sup>th</sup> August, 2016 and Nyeri County Assembly Car Loan and Mortgage Scheme Fund Regulations, 2017; Kenya Gazette Supplement No.14 dated 22<sup>nd</sup> November, 2017. Section 167 of the Public Finance Management (PFM) Act 2015 mandates the administrator of public funds with the preparation of annual financial statements.

For proper management of the fund and as advised by the SRC in the circular under the reference, The County Assembly adopted the PFM regulations 2016 to guide in the operationalization of the fund. As advised by the SRC and as provided for under regulation 16 of the said regulations, the County Assembly Service Board appointed a banking institution to manage the fund.

The fund is under the management of financial institution i.e. Family Bank-Nyeri Branch. The role of the bank is to provide administration services for the fund. This includes recovery of instalments and maintenance of members loan details.

The SRC in its circular reference SRC/ADM/CIR/1/13 Vol.III (128) dated 17<sup>th</sup> December 2014 provided guidelines for access of car loan and mortgage benefits by state and public officers. Arising therefrom, the County Executive Committee Member for Finance signed the Regulations on 3<sup>rd</sup> November, 2017

The fund is wholly owned by the County Assembly of Nyeri and is domiciled in Kenya.

**a) Principal Activities**

The principal activity/mission/ mandate of the fund is to provide car loans to staff.

**Vision**

“The fund of choice for Members of County Assembly”

**Mission**

“To provide affordable, accessible and sustainable car loans to Members of County Assembly”

**Core Values**

The fund upholds the values of accountability, transparency, excellence, accessibility, integrity, responsiveness, equity and team work.

## **2.0 FUND CHAIRPERSON'S REPORT**

It is my pleasure to present, on behalf of the management team, the County Assembly of Nyeri Car loan & Mortgage fund financial statements for the year ended 30th June 2018. The financial statements present the financial performance of the fund over the past year.

### **Sustainability**

The fund and its stakeholders are increasingly emphasizing on the need to ensure sustainability for both its investments and its resource mobilization and financing capabilities with an objective of ensuring that the fund's going concern is secured.

### **Review of performance**

#### **Income**

The fund earned revenues amounting to Ksh. 255,197,577.04 from the county government and other revenue from other exchange transactions. The revenues from the county government amounted to Ksh. 253,353,013.69 government and Ksh. Income from exchange transactions contributed Ksh1, 844,563.35.

Loans disbursement during the period was carried out as per the plan with the coordinated efforts by all stakeholders. The performance was also attributed to a favourable opening cash balance of Ksh. Ksh. 100M at the beginning the year.

#### **Expenditures**

The total expenditures during the period amounted to KShs. 618,707.40 out of which the administration expenses amounted to KShs.614, 854.45 and finance costs KShs. 3,852.95 representing 99% and 1% of total expenditures respectively.

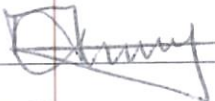

#### **Future outlook**

The outlook of the Fund for 2018/2019 looks brighter. The fund focus is looking to build a robust and sustainable fund with a motivated workforce and structures that enhance efficiency and effectiveness in the service delivery. The fund looks forward to continued support from the county government and development partners to the realization of its mandate.

#### **Appreciation**

I take this opportunity to express my sincere gratitude and appreciation to the county government, partners, stakeholders, management and staff for their continued support which made us achieve these results.

I look forward to your continued support in the year 2018/2019.

Signed: 

Hon. James Kanyugo

Fund Chairman

**3.0 REPORT OF THE FUND ADMINISTRATOR**

It is my pleasure to present the County Assembly of Nyeri Car loan and Mortgage financial statements for the year ended 30<sup>th</sup> June 2018. The financial statements present the financial performance of the fund over the past year.

The fund was established in January, 2018 and started with an initial amount of Ksh. 100M and a further Ksh. 153.M was received in the period under reporting. Since then, a total of 41 loan beneficiaries have made borrowings amounting to Ksh. 233M. Of this, Ksh. 228M had been paid and Ksh. 5M was outstanding as at the reporting date.

**Financial Performance**

**a) Revenue**

In the year ended 30<sup>th</sup> June 2018, the fund had projected revenues of KShs.253, 353,013.69 Out of the projected revenue, the fund was able to realise the actual revenues, representing 100% performance.

In the table below, we present an analysis of revenue performance during the year.

<b>Revenue classification</b>	<b>Revenue budget (KShs)</b>	<b>Actual (KShs)</b>	<b>Realisation (%)</b>
<b>Revenue</b>	<b>KShs</b>	<b>KShs</b>	
Public contributions and donations			
Transfers from County Govt.	253,353,013.69	253,353,013.69	100%
Interest income		1,844,563.35	
Fines, penalties and other levies			
Other income			
<b>Total income</b>	<b>253,353,013.69</b>	<b>255,197,577.04</b>	<b>100%</b>

**b) Loans**

During the financial year 2017/2018, the fund disbursed 41 loans bringing the total loan beneficiaries to date to 44. This was a 100% record in a single financial year since the inception of the fund.

**c) Cash flows**

In the FY 2017/2018, we have not had many liquidity disruptions. This was as a result of proper planning and better loan collections. The cash and cash equivalents was KShs.36, 976,212.34 as at 30<sup>th</sup> June 2018.

**d) Conclusion**

FY 2017/2018 was a good year in general. Good progress was made and the momentum has been created to enable County Assembly of Nyeri Car loan and Mortgage fund continue on a trajectory into prosperity. We have identified gaps and areas to improve on in the subsequent years.

I take this opportunity to thank the management team for their support. I would also want to thank all staff who we have worked hand in hand to ensure that County Assembly of Nyeri mortgage and car loan fund achieves its mission.

Signed: \_\_\_\_\_

**Jenard Mwiggeh**  
**Fund Administrator**

#### 4.0 STATEMENT OF MANAGEMENT'S RESPONSIBILITIES

Section 167 of the Public Finance Management Act, 2015 requires that, at the end of each financial year, the Administrator of a County Public Fund shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

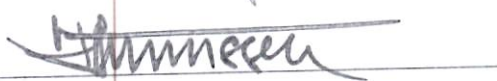

The Administrator of the County Public Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2018. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Fund; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Administrator of the County Public Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2015. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2018, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the County Public Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements. Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

#### Approval of the financial statements

The Fund's financial statements were approved by the Board on 19 September 2018 and signed on its behalf by:

Jenard Mwiggeh

Nyeri County Assembly Car Loan and Mortgage Fund Administrator

Reports and Financial Statements

For the year ended June 30, 2018

---

**5.0 REPORT OF THE INDEPENDENT AUDITOR**

We have audited the accompanying financial statements of County Assembly of Nyeri car loan fund for the year ended June 30, 2018, which comprise: (i) a statement of receipts and payments; (ii) a statement of financial assets and liabilities; (iii) a statement of comparative budget and actual amounts; and (iv) a summary of significant accounting policies and other explanatory information.

**Management's responsibility for the financial statements**

The car loan fund's Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Public Sector Accounting Standards, and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' responsibility**

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with the International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the *entity's* preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the entity as at June 30, 2018, and its receipts and payments, as well as cash flows for the year then ended in accordance with International Public Sector Accounting Standards.

## **REPORT OF THE AUDITOR-GENERAL ON NYERI COUNTY ASSEMBLY CAR LOAN AND MORTGAGE FUND FOR THE YEAR ENDED 30 JUNE, 2018**

---

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of Nyeri County Assembly Car Loan and Mortgage Fund set out on pages 10 to 43, which comprise the statement of financial position as at 30 June, 2018, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Nyeri County Assembly Car Loan and Mortgage Fund as at 30 June, 2018, and its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act 2012.

#### **Basis for Qualified Opinion**

##### **Cash and Cash Equivalents**

The Fund's statement of cash flows reflects net increase in cash and cash equivalents for the year under review of Kshs.57,049,164 and which should have been the closing balance since there was no cash and cash equivalents balance brought forward from the previous year. However, the same statements reflect the closing cash and cash equivalents balance of Kshs.36,976,212 resulting to an unexplained and unreconciled variance of Kshs.20,072,952.

Consequently, the accuracy and completeness of the cash and cash equivalents balance of Kshs.36,976,212 as at 30 June, 2018 could not be ascertained.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Nyeri County Assembly Car Loan and Mortgage Fund Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other

ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources sections of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### **Late Submission of the Financial Statements for Audit**

Although the Fund was established in May 2017, the Fund's financial statements for the year ended 30 June, 2018 were submitted for audit on 17 October, 2019 instead of 30 September, 2018 contrary to Section 167 of the Public Finance Management Act, 2012.

In the circumstances, the Fund's Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes

and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the ability of the Fund to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Fund to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease sustaining its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

  
CPA Nancy Gathungu, CBS  
AUDITOR-GENERAL

Nairobi

**7.0 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**a. Statement of compliance and basis of preparation**

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

**b. Adoption of new and revised standards**

**a) Relevant new standards and amendments to published standards effective for the year ended 30 June 2018**

<b>Standard</b>	<b>Effective date and impact:</b>
<b>IPSAS 39:</b> Employee Benefits	<b>Applicable: 1<sup>st</sup> January 2018</b> The objective to issue IPSAS 39 was to create convergence to changes in IAS 19 Employee benefits. The IPSASB needed to create convergence of IPSAS 25 to the amendments done to IAS 19. The main objective is to ensure accurate information relating to pension liabilities arising from the defined benefit scheme by doing away with the corridor approach.

**b) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2018**

<b>Standard</b>	<b>Effective date and impact:</b>
<b>IPSAS 40:</b> Public Sector Combinations	<b>Applicable: 1<sup>st</sup> January 2019:</b> The standard covers public sector combinations arising from exchange transactions in which case they are treated similarly with IFRS 3(applicable to acquisitions only) Business combinations and combinations arising from non-exchange transactions which are covered purely under Public Sector combinations as amalgamations.

**c) Early adoption of standards**

The entity did not early – adopt any new or amended standards in year 2018.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**c. Revenue recognition**

**i) Revenue from non-exchange transactions**

**Transfers from other government entities**

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

**ii) Revenue from exchange transactions**

***Interest income***

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

**d. Budget information**

The original budget for FY 2017/2018 was approved by the County Assembly on 30<sup>th</sup> June 2017. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section 12.5 of these financial statements.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**e. Property, plant and equipment**

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

**f. Intangible assets**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite.

**g. Financial instruments**

*Financial assets*

*Initial recognition and measurement*

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

*Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

---

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***Held-to-maturity***

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

***Impairment of financial assets***

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or an entity of financial assets is impaired. A financial asset or an entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

- The debtors or an entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

***Financial liabilities***

***Initial recognition and measurement***

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

***Loans and borrowing***

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**h. Inventories**

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

**i. Provisions**

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

***Contingent liabilities***

The Entity does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

---

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***Contingent assets***

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

**j. Nature and purpose of reserves**

The Entity creates and maintains reserves in terms of specific requirements.

**k. Changes in accounting policies and estimates**

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

**l. Employee benefits – Retirement benefit plans**

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund), and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

**m. Foreign currency transactions**

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**n. Borrowing costs**

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

**o. Related parties**

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the Fund Administrator and the Fund Accountant.

**p. Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

**q. Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**r. Events after the reporting period**

There were no material adjusting and non- adjusting events after the reporting period.

**s. Ultimate and Holding Entity**

The entity is a County Public Fund established by Section 167 of the Public Finance Management (PFM) Act 2012. Its ultimate parent is County Assembly of Nyeri.

**t. Currency**

The financial statements are presented in Kenya Shillings (KShs).

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**u. Significant judgments and sources of estimation uncertainty**

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

**Estimates and assumptions** – The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

**Useful lives and residual values**

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

**Provisions**

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note 18.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date, and are discounted to present value where the effect is material.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**v. Financial risk management**

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

**a) Credit risk**

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the company's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

	Total amount KShs	Fully performing KShs	Past due KShs	Impaired KShs
<b>At 30 June 2018</b>				
Receivables from exchange transactions				
Receivables from non-exchange transactions				
Bank balances				
<b>Total</b>				
<b>At 30 June 2017</b>				
Receivables from exchange transactions				
Receivables from non-exchange transactions				
Bank balances				
<b>Total</b>				

**NYERI COUNTY ASSEMBLY - CAR LOAN & MORTGAGE FUND**

**Reports and Financial Statements**

**For the year ended June 30, 2018**

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the company has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has significant concentration of credit risk on amounts due from customers.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

**b) Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Less than 1 month	Between 1- 3 months	Over 5 months	Total
	KShs	KShs	KShs	KShs
<b>At 30 June 2018</b>				
Trade payables				
Current portion of borrowings				
Provisions				
Employee benefit obligation				
<b>Total</b>				
<b>At 30 June 2017</b>				
Trade payables				
Current portion of borrowings				
Provisions				
Employee benefit obligation				
<b>Total</b>				

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**c) Market risk**

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an on-going basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day to day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

**i. Foreign currency risk**

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

		Other currencies	Total
	KShs	KShs	KShs
<b>At 30 June 2018</b>			
Financial assets (investments, cash ,debtors)	-	-	-
Liabilities			
Trade and other payables	-	-	-
Borrowings			
Net foreign currency asset/(liability)			

*NYERI COUNTY ASSEMBLY - CAR LOAN & MORTGAGE FUND*

**Reports and Financial Statements**

**For the year ended June 30, 2018**

---

The Fund manages foreign exchange risk from future commercial transactions and recognised assets and liabilities by projecting for expected sales proceeds and matching the same with expected payments.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Foreign currency sensitivity analysis**

The following table demonstrates the effect on the Fund's statement of financial performance on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

	Change in currency rate	Effect on surplus/ deficit	Effect on equity
	KShs	KShs	KShs
<b>2018</b>			
Euro	10%	-	-
USD	10%	-	-
<b>2017</b>			
Euro	10%	-	-
USD	10%	-	-

**ii. Interest rate risk**

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The company's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

*Management of interest rate risk*

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

*Sensitivity analysis*

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

**NYERI COUNTY ASSEMBLY - CAR LOAN & MORTGAGE FUND**

**Reports and Financial Statements**

**For the year ended June 30, 2018**

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**d) Capital risk management**

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The entity capital structure comprises of the following funds:

	2018		2017
	KShs		KShs
Revaluation reserve

**9.0 PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS**

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

<b>Reference No. on the external audit Report</b>	<b>Issue / Observations from Auditor</b>	<b>Management comments</b>	<b>Focal Point person to resolve the issue (Name and designation)</b>	<b>Status: (Resolved / Not Resolved)</b>	<b>Timeframe: (Put a date when you expect the issue to be resolved)</b>

**Guidance Notes:**

- a) Use the same reference numbers as contained in the external audit report;
- b) Obtain the “Issue/Observation” and “management comments”, required above, from final external audit report that is signed by Management;
- c) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for implementation of each issue;
- d) Indicate the status of “Resolved” or “Not Resolved” by the date of submitting this report to County Treasury.
